

****Students and parents/guardians should review this document together and sign in the space provided at the end to acknowledge their understanding of the policies and expectations for this class. Please return this by Monday, September 12, 2016.****

Welcome to Breed Middle School and to 6th Grade English Language Arts (ELA). I am looking forward to a fantastic year together! A successful classroom is built upon a foundation of mutual respect. With your cooperation, we will be learning quite a bit this year and having a lot of fun. Please visit www.mrsdaysenglishclass.weebly.com for more information on the course, policies, assignments, and useful resources beyond the classroom.

Supplies:

- BLUE two pocket folder
- composition notebook
- pencils, erasers
- optional: highlighters, blue or black pen (NO colored pens)

Expectations:

- Come to class on time and be prepared with everything you need for ELA class (agenda, folder, composition notebook, current assignments, pencils).
- Follow **all** Breed Middle School policies.
- Poor behavior will not be tolerated. Treat everyone and everything in the classroom with respect.

Classroom Management Plan:

In order to ensure that this classroom remains a safe and productive space for all students, I reserve the right to enforce ANY of the following consequences, depending on the circumstances: verbal warning; student/teacher conference; teacher/guardian contact; cluster or administrative detention; dismissal from classroom.

Assignments:

You will have both homework and classwork. Expect to receive homework each night, Monday through Thursday. You will also have other assignments (notebook, writing, quizzes, tests) that will be graded individually and factored into your final term grade. Homework is worth 10% of your term grade.

Extra Help:

ELA “night back” is on **Tuesday afternoons** after school. While I am generally available to assist students on other afternoons, I am guaranteed to be available to any student needing help at that time.

Communication:

I use the Remind App to send out important homework and class information. If you have a smartphone, you can download the app directly and sign up to receive alerts for the corresponding class section. You can also get text message reminders by texting the corresponding class section code to “81010.”

A: @3ggae3

C: @92gc4

B: @bblockela

F: @gh2b39

I have read and understood the expectations and policies for Mrs. Day's ELA class.
